

Kristie Nguyen-Khoa

kristie.khoa@gmail.com | [Portfolio](#) | [Github](#) | [LinkedIn](#) | San Francisco, CA

Summary

Web developer with a strong foundation in front-end technologies including HTML, CSS, JavaScript, and React. Self-taught, highly motivated, with 1 year of hands-on experience building responsive, user-friendly web applications.

Skills

Languages: JavaScript, TypeScript

Web Technologies & Frameworks: HTML, CSS, React.js, Express.js

Databases: MongoDB

Other: Git, Node.js, EJS, Bootstrap, Framer Motion, Material UI

Projects

[“Rent & Roam”](#) | Full-Stack Developer | May 2024

- **Project Overview:** Developed a full-stack web platform for rental property listings and user reviews.
- Technologies Used:
 - Front-End: HTML, CSS, JavaScript, Bootstrap, EJS
 - Back-End: Node.js, Express.js
 - Database: MongoDB
 - Other Tools: Render(deployment), Passport(authentication), Cloudinary(image handling), Mapbox
- Built a RESTful API using Node.js and Express for seamless communication between front and back-end.
- Leveraged EJS templating engine for server-side rendering, generating dynamic HTML pages.
- Implemented secure user authentication using Passport.js, ensuring only registered users can list properties.
- Utilized MongoDB for data storage, providing efficient CRUD operations for user data and property data.

[“Space Tourism Multi-Page Website”](#) | FrontEnd Mentor Challenge - Intermediate | Mar 2024

- **Project Overview:** Constructed an interactive multi-page website focused on space tourism that is fully responsive across various devices.
- Developed the application using React.js, utilizing components for modular and efficient code structure.
- Implemented React Router for elevated navigation between multiple pages.
- Incorporated feedback from the Frontend Mentor community to improve design elements and functionality.

[Personal Portfolio](#) | Web Developer | Feb 2024

- **Project Overview:** Designed and created a React based portfolio to showcase personal projects and skills.
- Enhanced user experience with smooth page transitions and interactive animations with Framer Motion.
- Utilized modern front-end development practices to highlight proficiency in React.

Experience

Verkada | San Mateo, CA | Aug 2021 - Apr 2023

Account Executive

- Managed and expanded relationships with key clients, evaluating needs, and tailoring solutions to meet unique requirements, resulting in \$900k+ annual revenue.
- Executed targeted sales strategies, resulting in a 30% increase in client acquisition within a specific vertical.
- Collaborated with cross-functional teams, including sales engineers and product specialists, to ensure successful implementation and client satisfaction.
